## **DETAILED ACTION**

### ***Allowable Subject Matter***

Claims 1-2 and 5-9 allowed.

The following is an examiner's statement of reasons for allowance: The closest prior art known to the Examiner is listed on the attached PTO 892 and IDS forms. None of the references or combinations thereof disclose or suggest a plurality of individual air duct sections, each of which are branched off from the common air duct section for providing an individual air path to only a corresponding portion of the plurality of semiconductor manufacturing and processing apparatuses and the two separate air cleaning and ventilating means as required by the presently claimed invention.

Therefore the Claims at hand are allowable over the cited prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

### ***Conclusion***

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Alexander G. Ghyka whose telephone number is (571) 272-1669. The examiner can normally be reached on Monday through Thursday during general business hours.
